Mrs. Brown & Mrs. Delucchi's Class

Welcome to Room 17!

We are very excited for our year ahead! The students are settling in to our daily schedules and routines. We wanted to highlight a few items that will help our communication between school and home as well as ways to be successful in 6th grade.

- Please **READ & SIGN** the AGENDA EVERY NIGHT...even Fridays! If you see **red circles** in the agenda, then that is an assignment that wasn't turned in. That assignment will receive a grade of zero when graded in class the day it was due. The assignment will lose a letter grade if it is an assignment we will grade at home that night.
- Supplies were due, Monday, August 17th! Please see the Policies and Procedures packet on our website for a complete list of supplies needed.
- You can check grades at attendance on Aeries.NET! Visit the office for your username and password if you don't have access yet! Be sure to bring photo ID with you so you may receive your access code.
- We would like to thank you very much for your very generous supply donations! There are still items on our wish list here at school if you'd like to take a look ☺. We are particularly in need of Batter's Box prizes (small trinkets...think Dollar Store, \$1-2 gift cards, etc) and an electric pencil sharpener.

Newsletters Emailed

You just received your very first Shark Bites newsletter! You will receive one every other Friday. Please keep an eye out for in your inbox. In an effort to conserve paper and save money in our limited copy budget, we will email all newsletters. Please be sure you read the important information we share with you each week. Each newsletter will have some sort of homework that your child must complete and turn in for a grade. As a result, not only do we want parents reading our newsletter, but we want our students to do the same!

In addition to this newsletter, you will find a "Blue Note" in the blue note envelope. Please read the Blue Note, sign it, along with your student, and return in to school. We appreciate your support with this valuable communication tool!

NEWSLETTER HW: Read through this entire newsletter. On a separate piece of paper answer the following questions:

- Why would there be a red circle in the agenda?
- When is the Color Run scheduled?
- What is our class website address AND what type of information can you find there?
- What are Mrs. Brown and Mrs. Delucchi's email addresses?
- Why don't we have school on Sept 7th?

Return this homework on Tuesday, August 25th.
You will receive a grade for this!!!!
