Mrs. Brown & Mrs. Delucchi's Shark Bites

April 1, 2021

Book Clubs Start Soon

Last week we announced a new program to allow our students to get more exposure to literature. We are excited to introduce BOOK CLUBS beginning the week of May 19. Students will listen to stories and discuss various reading comprehension strategies such as cause/effect, prediction, inference & vocabulary development.

These online meetings will take place in Teams, just like our small group meetings. They will run from 1:10-1:30 pm.

Music and PE Classes Are Back!!!!

We are super excited for the return of music and PE classes the week we return from spring break!!!! Meetings are already listed in the Teams calendar. They will also be included in your asynchronous blackout bingo boards. The week of April 12th, we will have music Mon/Wed/Fri from 1:50-2:30 and PE on Tue/Thur from 1:50-2:30. Then the following week (April 19th) it will switch to PE on Mon/Wed/Fri and music on Tue/Thur. Here is a list of supplies students will use for PE: 2 plastic grocery bags, empty paper towel roll, empty water bottles, t-shirt, large spoon/spatula, bowl/basket/container, socks, stuffed animal, pillow, paper, books.

Please Return Green Journals

This week we sent home April supplies. Part of the supplies included a new purple journal for the month of April. *After spring break, please send the GREEN March journal back to school,* if you have not already done so. A group may bring theirs back on Monday, April 12th and B group may bring theirs back on Tuesday, April 13th. Any student that is on 100% distance learning may drop it off in the office either day.

Note: please do not have your child complete the math assessment until we assign it.
Thank you!

Spring Break Activities

While we understand everyone deserves some much needed time off, and downtime, we would like students to keep their brains active too. Below are some activity ideas that will keep young minds attentive and active:

- Ride bikes
- Play tag in the grass
- Read a book in the shade of a tree
- Play card games with a friend
- Log into iRead 20 minutes daily
- Bake with a grown up in the kitchen
- Play board games
