Do You Read to Animals?!

Mr. Burstein presented us all with a challenge on Friday! He wants our Bohn families to read and read, and read some more. What way to make reading even more fun than to read to animals!!!! Take a picture of your students reading to their dog, cat, fish, bird, lizard, stuffed animal or any other critter you may have or like!

Send those photos to us via email and we will pass them on to Mr. Burstein to post on the Bohn Facebook page!

Device Turn in

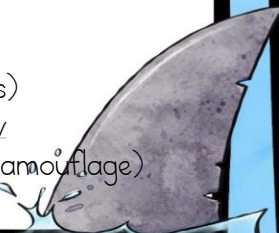

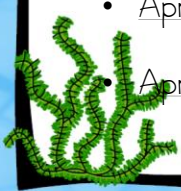

It is hard to believe that we are only a few short weeks away from the end of 2nd grade! With that in mind, we are asking you to return school devices, text books and manipulative kits we supplied at the beginning of the year. Group B will return devices when they are on campus May 28th for regular class. Group A and Distance Learning students will return their devices, beginning at 11:30 on Friday, May 28th. Please let us know if you have any questions.

We will also ask you to return textbooks in the coming weeks as well. As soon as we are done using specific books, we will ask you to return those to campus, along with the math manipulatives we gave out in August.
