Back to School Night

This year we will hold a virtual Back to School Night from 6:00-7:30 pm on Thursday, August 20th. We will create a calendar invite in Teams for you to join. There will be two different invites (to accommodate for siblings), but you only need to attend one.

What a Week! We can't thank you enough for all of your support during this first week of Distance Learning. Learning new technology and procedures is very challenge and you did not give up on us! Despite the glitches, we feel we are off to a great start. We understand it is very difficult for our students to stay focused and on task during this time, but we've worked hard to build in breaks and hands on activities to help keep them engaged. Keep sharing your successes and struggles so we can work to make the best of a very tough situation!

Student Assessments

Next week we begin reading fluency assessments. We will send you a calendar invite via Microsoft Teams. These appointments will only be about 5 minutes and be between the hours of 12:30 and 2:30 next Monday, Tuesday, Thursday and Friday. We will use this data to put together small groups of students to work with during synchronous learning.

Assignment Turn In

As we begin to settle in to our routines and procedures, we now have a plan in place to turn in homework and asynchronous work. At this time, assignments will be posted under the Assignment tab in Teams. This is also where you will submit your work too. We will no longer accept homework via email or Class Dojo. Please refer to the "How to Turn in Assignments in Teams" You Tube video for help.
