Wi-Fi Struggles?!

If you're having trouble with spotty Wi-Fi, computer glitches and more?? Good news...we can help! Simply come to the office to pick up a hot spot to help with connectivity at home! We have enough for every child here at Bohn.

Help us Raise Funds for Bohn! Last year our class earned an additional \$200+ for our classroom budget. This is because our parents completed the lunch application and submitted it to the District. Won't you please help us too?! Please visit

<https://bohn.tracy.k12.ca.us/parent-student-information/food-services>

and submit a lunch application, even if you think/know you won't qualify. Our school receives \$20 for every application submitted and our class receives \$10 of that!! It's the easiest fundraiser we can do!

Back to School Night

Thank you to all of you who attended our Back to School Night on Thursday evening. We had 16 families in attendance and we were thrilled to see everyone! If you were unable to attend, you may view the presentation on our website's home page: www.browndelucchi.weebly.com Please let us know if you have any questions.

Assignments are Coming in!!! We've had a big improvement in turning in homework and finished classwork under the Assignments tab on our Team page. Thank you for working to navigate this new procedure. One of the benefits of submitting the work here is that we can give immediate feedback. We've loved that some students have taken that feedback and improved their work and then resubmitted it to us. That is where the true learning takes place!
