December Supply Pick Up

Today we handed out supplies for the month of December. We will begin using these on Monday, December 7th. If you did not come by to pick yours up, please let us know when you'll be by so we can leave it in the office. Keep the bright pink Fast Bridge Testing day/time handy because testing begins next week!

Fast Bridge Assessments: Just a reminder that we will begin our Fast Bridge assessments next week. These are the assessments we talked about before Thanksgiving break. Instead of Small Group meetings next week, we scheduled students in groups of six or less to come to school with his/her TUSD device and a mask. Your specific day and time are listed on the bright pink paper given during December Supply Pick-up. Please make this assessment a priority. Let us know if you have any questions.

fun

Unit 3 Math Assessment

Next Wednesday, we will assign the Unit 3 math assessment in Teams. We do ask that you DO NOT give assistance on the assessment. We need to know how much the students are able to do on their own. We've also included a copy of the assessment in the December Supply Pick-up materials. Students may choose to do either assessment, they do not need to do both. If they choose to complete the paper copy, please be sure to take a photo of the completed work and submit it in the digital assignment.
