## Report Cards are Here!

Friday, February 19<sup>th</sup> report cards were available for you to view in Aeries. If you didn't look in Aeries, you picked up a copy of the report card today at Supply Pick-up.

Please use this time to review your student's progress. We wrote extensive comments as to how we arrived at the scores and effort marks. Let us know if you have any questions.

## Did You Know?!

Did you know we type up a daily summary of what we covered in distance learning class every day? We post it in the Teams General Channel so you can look to see what we taught and how we taught it. We include links to videos we watched, assignments due, small group meetings to attend and more. If you are ever wondering how we teach something or what is expected, please take a look. It offers a great deal of insight to our mornings together. It is also where you should look in case your child is absent, so he/she can get caught up.

## Celebrating Reading!

Next week, in honor of Dr. Seuss's birthday, we are celebrating our love of reading! We will hear from guest readers each day, and we also get to dress up with spirit days too! Mark your calendars for these days:

Monday, March 1: Wear favorite hat/headband

Tuesday, March 2: Wear crazy socks

Wednesday, March 3: Wear mismatched clothes

Thursday, March 4: Crazy hair

You can support reading at home too by reading together as a family and talking about your favorite books!
