Come check out books with Mrs. Meyers
every Wednesday-Friday from
11:30-12:30!!

Don't forget to work on iRead 20 minutes

Mrs. Brown & Mrs. Delucchi's Shark Bites

Classroom Norms

Did you know we've been in distance learning school for 91 days...more than half the school year!!! That means we should not have to remind students to sit up in a chair (not lay in a bed), get supplies (not sit there without a pencil or book), keep eyes on our screen (not watch TV or use other devices during class). Please help us keep your child working and focused. We have extremely important content to cover and need to make the best of the small time we have together online.

New Small Groups!

Next week your child may be in a different small group for Language Arts and Math. Using the data from the FastBridge assessments students took in our classroom last month, we've restructured the grouping. Some students remain on the same day/time while others shifted. Be on the lookout in your Teams calendar for meeting days and times. We will also remind students during our morning session if they have

Music/PE Returns!

Next week, we return to PE with Ms. Toepfer and Music with Mrs. Cordova!!! Please check your Teams calendars for invitations to join each day at 1:50. Your participation in these classes (or lack there of) will be reflected on the 2nd trimester report card. required to teach. Please email questions.

Ms. Toepfer asks students to have the following supplies available over the next two weeks: plastic grocery bag, paper towel roll, empty water bottle, small towel or t-shirt, large spoon/spatula, bowl/basket/small container, sock, stuffed animal, pillow and paper. Mrs. Cordova asks students to have something to tap on.

Sea Shell of the Week: Yosuf
