Mrs. Brown & Mrs. Delucchi's  
Shark Bites

March 12 2021

## What to Bring to Hybrid Learning

We want to make the transition to hybrid concurrent learning as smooth as possible. Our plan is to minimize items to bring to campus. Below is a list of items to bring:

1. Mask
2. Water bottle labeled with name
3. Snack labeled with name

## NO Devices, Books or Backpacks at School

We have decided that we do NOT want students bringing their devices and text books to and from school when hybrid learning begins on March 22<sup>nd</sup>. They will not need to bring a back pack either. Students are still going to be learning more hours at home than they are on campus and we'd prefer materials to remain in one consistent location. All assignments will continue to be submitted through Teams only. Our goal is to make this a seamless transition for everyone!

## Attendance After Recess Break

We've started ending our morning meetings during recess time in an effort to practice returning to class on time due to the fact that we will have to end the meeting at recess time when Hybrid Concurrent learning begins Monday, March 22<sup>nd</sup>. Please help to ensure your child returns to the final hour of our meeting on time (10:30). It is best to join the meeting a minute or two before that so when we begin the meeting at 10:30, your student is ready to go. Even 1 or 2 minutes late loses valuable learning time and dojo points.
