Shark Bites

March 19, 2021

School Start/End Time

As we welcome students back to campus on Monday, March 22nd, students may be dropped off no earlier than 8:15 am. If you arrive at 8:30, you are LATE and must check in with the office.

When the day ends, students must be picked up at 11:30. We do not have the supervision or space to have kids wait for their older sibling in upper grades. You'll have to go park on the street, or go through carline twice.

We Can't Wait to See You!!!

We are so, so excited to welcome our students back next week!! Here are a few reminders:

BRING:

1. Mask
2. Water bottle labeled with name
3. Snack labeled with name

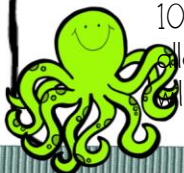

DON'T BRING:

1. Computer
2. Back pack
3. Text books

Fever = Do NOT Attend In Person

As we gear up to return to school, here are a few reminders about sending healthy kids to school:

- Do not give student Tylenol/Fever Reducers before coming to school
- If there is even the slightest doubt with regards to sniffles and not feeling well, err on the side of caution and keep your child home.
 - If a student has a temperature of 100 or greater, he/she will not be allowed to stay at school. The office will call you to pick up your child.

Waiting for Teams to Begin

This week we talked about the fact that at home students will need to be very patient as we bring students back inside our classroom. As a result, as a class, we brainstormed activities at home students can do while waiting for the Teams meeting to begin:

- iRead
- Xtramath.org
- Prodigy.com
- Read a book
- Write a story
- Read on Epic!
- Write a letter
- Practice math facts with playing cards
- White board binder games
