Arriving ON TIME!

It is imperative students arrive *BEFORE* 8:30 am to in person learning and also to distance learning. It is extremely disruptive when we must stop instruction to let late students in the meeting as well as interrupt the learning of others to let late students in to the classroom. Please be respectful of all students learning and our teaching by arriving to learning before 8:30 am. Thank you for your attention to this important matter.

Pick-up and Drop-off

This week we gave all students attending class on campus an **ORANGE NAME PLATE**. This name plate is to be kept in your car to help speed up the car line process. Mr. Burstein can see the name on the dash of your car, and then we can have your student ready to go when you pull up to the cones. If you prefer to walk up to pick up your child, please bring your **ORANGE NAME PLATE** with you. You will wait your turn in line by the crossing guard, and then show your child's name to the teacher calling students for dismissal. Please don't wave down your child to come out of line until a teacher dismisses him or her. This is for the safety of all. Thank you for your cooperation and understanding of our NEW and IMPROVED carline procedures!

Book Clubs Begin!

We are excited announce a new opportunity for our students. After spring break, we will implement our new weekly book club meetings! Students will meet once a week from 1:00-1:20 to discuss stories and other pieces of literature. This is the tentative schedule. More information coming soon!

Mondays: Great White Sharks
Tuesdays: Sand Sharks
Thursdays: Hammer Head Sharks
Fridays: Leopard Sharks

Not a Second to Wastel

Because Hybrid Concurrent learning schedules require a great deal of patience from all, we want to make sure students are not losing valuable learning time. As a result, below is a list of what students can work on if they finish work early.
