Final Week of Small Groups

Next week, May 17-20 will be the last week of language arts and math small group meetings. It will also be the final week of Book Club meetings. We would like to thank those of you that attended these weekly meetings because they were a valuable part of our curriculum.

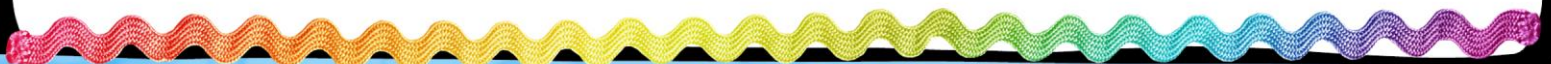

For those students attending ELD meetings on Mondays, Tuesdays, Thursdays and Friday next week will be the final week for these meetings as well.

Commitment to In-Person Learning

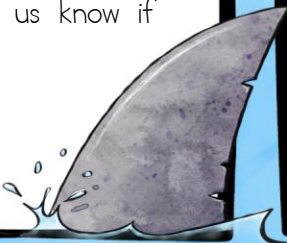

We recently noticed some families deciding to stay home when they are supposed to be here on campus for in-person learning. There are times that these have been for worthy reasons, but there have also been times where we have had no notification that this would be happening. Please see to it that we are all doing our best to honor our commitment to our schedules. Much planning goes in to having materials ready for in-person learning. Making a commitment to in-person learning means we attend on our scheduled days, even when it may be inconvenient. Students should only stay home when they are feeling poorly.

Dance-a-Thon

Have you visited funrun.com yet? The student code is 898541. We are asking all of our families to check it out and register to find out how you can help our school earn some funds to support all of our students' learning experiences here at Bohn.

Friday, May 21st we will celebrate the with a dance-a-thon. Please let us know if you have any questions.

Returned Textbooks Yet?

Don't forget we need all text books returned ASAP! This includes **two Wonders textbooks** and **one science textbook**. You are to keep all of the other workbooks at home, as they are consumable. If you don't recall which books you've returned, please reach out and ask. We are happy to provide that information. Mrs. Meyers has a huge job of checking in all the books and preparing them to distribute back to our classrooms for next year. Thank you for your prompt attention to this matter.
