Mrs. Brown & Mrs. Delucchi's Shark Bites

November 20, 2020

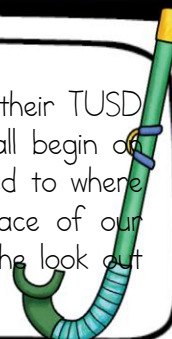

Recess Time

There has been an increase in inappropriate conversations and activities during our recess break. We keep the meeting open so students have the opportunity to socialize once they've used the restroom and had a healthy snack. It is not a time to play video games and be on cell phones. Please make sure these devices are not around at this time.

In Person Assessments

When we return from break, we are scheduling students in groups of 6 to come to campus with their TUSD laptops to take a reading and math assessment. It is imperative you arrive on time so we can all begin on time and end on time. This assessment will be a great tool to gauge where your child is compared to where we would expect a 2nd grader to be at this point in the year. This assessment will take the place of our weekly Language Arts and Math Small Group meetings the week of December 7th - 11th. Be on the look out for your child's specific day and time in the December Supply Pickup materials on December 4th.

Background Noise

We wanted to remind families that we hear everything going on in the background of your homes. When students unmute, it is often very difficult to hear them speak because there is so much going on in your homes. We understand it is difficult to find quiet work spaces for all, but if at all possible, please turn off the TV, radio and work to keep siblings out of your 2nd graders work space. More and more we are seeing them come in and try to get the attention of our students who are doing their best to focus and do school work. Thank you!

BEACH

Want to Win \$25 from Amazon?!

It is so simple to enter to win! Simply complete the lunch application form by December 6th and your child's name goes into a drawing to win a \$25 Amazon gift card. Now, who doesn't love Amazon, right?!?!?

Visit:

<https://tusdfoodservices.com/?page=lunchapps>

and fill out the form, even if you know you won't qualify for free and reduced lunch. Just by completing the application, our school gets \$20 and your child is entered to win an Amazon gift card. It's a win-win! Thank you to those that have already applied!!!
