## Norms Reminders

We've been distance learning for nearly two months now. While we have our routines dialed in, we are noticing some students not following our classroom distance learning norms. We thought we'd send a quick reminder here. It is also important to continue with these norms even though we are coming back on a hybrid schedule because we will continue distance learning on Wednesdays.

1. Cameras are ON
2. Work assigned in class is to be done IN class and not just copied when posted in Teams
3. Homework/Asynchronous work must be turned in ON TIME
