## Mrs. Brown & Mrs. Delucchi's Shark Bites

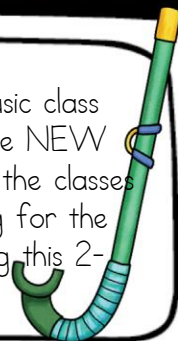

September 18, 2020

### One Month Unit Report Cards

Hard to believe, but we are only one month away from filling out report cards!!! Just a friendly reminder that all assignments are mandatory. If work is not turned in, we have nothing to judge your student's learning by, and this will result in receiving "needs improvement" scores on the report card. Additionally, when we return work, we expect that the comments we make on the work are read. There are even times when work is "submitted" but nothing is attached. We comment on this and send it back for you to add the missing work, otherwise it is incomplete.

### PE and Music Classes are Coming!!!

We are so excited it is 2<sup>nd</sup> grade's turn to have virtual PE class with Ms. Toepfer and virtual Music class with Ms. Cordova!!! Beginning Monday, September 28 and ending Friday, October 9<sup>th</sup> you will see NEW calendar invites to join PE and music for two weeks. Ms. Toepfer and Ms. Cordova will schedule the classes in Teams. You simply go to the day of the week, in your Team calendar, and click on the meeting for the day. Classes will be held from 1:50-2:30 Sept 28-Oct 9. Please ensure your child is online during this 2-week period of time. Thank you!

### Yellow Hand/Unmuting

Just a reminder, to help with active participation during online learning, always use the yellow hand in Teams to let us know you have an answer or question. Unfortunately, we are not able to physically see every smiling face on our screen at all times. By raising a yellow hand, we are also able to "see" you and give everyone think time without having students unmute and blurt out the answers. Another reminder we'd like to share while on the topic of muting/unmuting...please know that we hear EVERYTHING happening in your home when your child unmutes. We can't stress enough the importance of appropriate language, doing chores, having conversations, etc. in another room. We appreciate your support.

### Library Time!

Next week we have our very first virtual library time with Mrs. Meyers! I know we've all missed seeing her this year, so this is going to be fun! We will set up a meeting in your Teams calendar for 1:00 pm on Wednesday, September 23<sup>rd</sup>. Click to join the meeting from the calendar. Mrs. Meyers will be waiting so see all your smiles. This counts as one of your asynchronous Bingo choices too!! Guess what?! You can start borrowing books from our school library to take home and read too. Please see the attached PowerPoint in the email for directions. Lastly, want to take books home to keep for your very own? Stop by the cafeteria during lunch pick up and select a FREE book to take and keep!!!
